STREET GUIDE

PUBLIC SCHOOL DISTRICT

2020-2021

(ARRANGED BY STREETS)

1-Jun-20

The street guide can be utilized by the Secondary Schools within the district to determine whether or not a student's address in within the Hattiesburg Public School district. All elementary principals should use this guide to determine weather or not a student's address is within their school zone. We encourage all principals and staff involved in enrolling students to take full advantage of this street guide. If there is ever a question about a street, please feel free to call the transportation department to verify. Thank you for allowing us to serve you.
